This week we are giving away Michael Buble 'It's a Wonderful Day' score completely free. After you complete your order, you will receive an order confirmation e-mail where a download link will be presented for you to obtain the notes. In order to transpose click the "notes" icon at the bottom of the viewer. If transposition is available, then various semitones transposition options will appear. If not, the notes icon will remain grayed. Most of our scores are transposable, but not all of them so we strongly advise that you check this prior to making your online purchase. You can do this by checking the bottom of the viewer where a "notes" icon is presented. If it is completely white simply click on it and the following options will appear: Original, 1 Semitone, 2 Semitones, 3 Semitones, -1 Semitone, -2 Semitones, -3 Semitones. This means if the composers started the song in original key of the score is C, 1 Semitone means transposition into C#. If you selected -1 Semitone for score originally in C, transposition into B would be made. If your desired notes are transposable, you will be able to transpose them after purchase. Be careful to transpose first then print (or save as PDF). When this song was released on 08/26/2018 it was originally published in the key of. \* Not all our sheet music are transposable. In order to check if Poker Face - Trumpet 4 can be transposed to various keys, check "notes" icon at the bottom of viewer as shown in the picture below. Simply click the icon and if further key options appear then apparently this sheet music is transposable. Also, sadly not all music notes are playable. If "play" button icon is greyed unfortunately this score does not contain playback functionality. \*\* Single print order can either print or save as PDF. \*\*\* Selected by our editorial team.
